Measure: HB3501

We are only supporting homelessness. Our tax dollars are not fixing the problem, its enabling it. The parks that our tax dollars pay for should be accessible to the people that PAY FOR THEM. If you're not a taxpayer you should not be aloud to set up shop in these places. They will bring their drugs and danger to these places making NO place safe for us and our kids. If this bill passes I will sell my house immediately and leave this place.
