

Submitter: Jared Lorz

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Have you lost your minds? You need to pass Public housing building projects. Raze golf courses and build housing complexes to hold 10s of thousands of people. 10 x 10 rooms with a common eating area filled with rice beans tortillas and bread. Get the homeless inside not surrender the city to every drug addiction from all corners of America
