Measure: HB3501

The homeless are getting then care if better than the elderly and disabled

The elderly can bairly pay bills and eat ect. The homeless are threatening to people who question anything. There are good ones but there are reL bad ones. The pills, needles that they leVe are harmless to animals and kids and everyone. A good portion of tge homeless are filthy and bring rats and sickness to the area. This bill will endanger all people where they camp. Take care of the elderly first, give them free food daily and pay for thier garbage ect! They worked fir it , most homeless have not earned what you are giving them. Help people who earn it and give respect. Do not allow homeless on any private property. We should have rights too!
