

Submitter: Catherine Redmond

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Please do not allow this to happen. This is not the answer. There are so many vacated warehouses in downtown now, turn those in to section 8 housing or shelters. The fires, litter and other destruction caused by camping needs to end. The discarded needles and attacks, needs to end. 100% oppose this bill. So many better solutions are available
