

Submitter: Sharon Harker

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

At at time when the city is finally doing sweeps to eliminate the sprawling camps that are everywhere in Portland, WHY is this measure even being presented?!!! We are trying to clean up the city; find mass shelters for the homeless, not exacerbate the problem by allowing the homeless to camp anywhere they want in the city! This is insane! Please reconsider and eliminate this measure!!!
