

Submitter: Todd Niebling

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

The city and state have closed mental health. We have stopped prosecuting crimes, and the city of portland is in shambles. We need law and order, and we need to help the people on the street, not keep them in absolute poverty. Get them sober, get them the mental help they need, do not let them keep rotting in the streets.
