

Submitter: Mary Kelley

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I am opposed to HB 3501. The homeless problem is out of control and allowing camping in public spaces has already put us and our children in danger. While I recognize that something has to be done, allowing camping in public spaces is not the answer. There are many abandoned properties that counties or cities could use for a designated camp area, but not parks, sidewalks, etc.
