

Submitter: Joslin Angell

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Strongly oppose. I can see a future with tents alongside our waking/bike paths. Drugs, trash, human waste, and other dangerous articles will be strewn about the areas where we enjoy a walk. Children who once used these wonderful areas would no longer be safe to walk, ride, or otherwise play in these public areas. Instead, this Bill creates another dangerous situation at taxpayer's expense. Keep our neighborhoods safe, please.
