

Submitter: Jose Gamero Cassinelli
On Behalf Of:
Committee: Senate Committee On Rules
Measure: SJR33

Members of the Committee,

My name is Jose Gamero Cassinelli and I am writing to express support for Senate Joint Resolution 33

Equal Rights: Same-sex couples deserve the same legal rights and protections as opposite-sex couples.

Freedom: We deserve the right to be free to marry who we love. Our trans brothers and sisters deserve the right to gender affirming care and making their own decisions about their healthcare. Folks who can get pregnant have the rights to privacy and to have access to essential medical care.

We can't count on the Supreme Court or the federal government to protect Oregonian's rights, so the State needs to.

Our Constitution needs to be clear on these rights and not depend on court case or national legislation to grant these rights.

Oregonians overwhelmingly support our fundamental freedom to control our own bodies, lives, and futures without government interference. Oregon voters deserve to have our voices heard.

As a gay, Latino immigrant, who is looking to adopt with my husband, I know how important these rights are. I am keenly aware of the ongoing attack on these rights and that we must do something now.

This is why I urge you to pass SJR 33. Thank you for your time.

Sincerely,
Jose Gamero C.
