

Submitter: Erik Shackelford

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This bill would protect people who breaking existing city codes. It would hurt businesses and the quality of life of the general population. We should never allow people to live in absolute squaller, on sidewalks, parks, or other public property. This bill would further destroy our state. We need find solutions that do not ruin cities and parks.
