

Submitter: Louise Shorr

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Let's get people living on the streets the help they
Need. Open more drug centers open more hospitals for people with mental illness.
Let's stop doing the same thing that isn't working over and over. Please don't turn
the cities over to them and wonder why our neighborhoods look so bad. Vote for this
bill and you can say goodbye to the greatness of Oregon
