

Submitter: D W

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I oppose this shortsighted and insensitive bill given the struggles of Portland with the issues of the homeless, crime and drug use for the past three years. This bill will further erode the safety and usability of our public spaces limit ADA access for our most vulnerable and create a chronic problem that will effect our local business and livability of our community.
