Measure: HB3501

I oppose HB 3501. This bill is an absolute waste of public dollars and resources. Second, the ramifications of a bill this reckless would have extreme negative impacts to most Oregonians in every facet of life. Third – Representative's Chaichi and Pham should be impeached for lacking the necessary mental capacity to represent the tax payers and voters of Oregon.

Representative's Chaichi and Pham should open their homes to help shelter these people. Turning these people loose in our parks and public lands is insane.....proposed by insane representatives.
