On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I am writing in opposition to this bill for two reasons,

1. We already have a major problem with homelessness in our state to the point that businesses are leaving. This bill would only exacerbate the problem by codifying what is essentially trespassing into law.

2. This bill should not even receive a hearing as it's past the deadline to be voted out of committee.
