

Submitter: Jerilyn Shackelford

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

We are law abiding, tax paying, job holding citizens and we are getting our rights taken away to our own property that we pay for. We have to be expected to let homeless people completely overtake and destroy our towns and cities. Possibly even our own property. Our state is making a huge mistake by trying to pass this ridiculous and insane bill.
