

Submitter: James Demont

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

In Short, I strongly oppose HB 3501 because in my opinion it provides additional incentives to exacerbate the homeless population's takeover and destruction of public property. I am not heartless or w/out compassion, but I believe government at all levels MUST enact measures that will dis-incent vagrancy, public drug use and illegal or what should be illegal camping.
