Committee: House Committee On Housing and Homelessness

Measure: HB3501

As a woman, I feel unsafe to walk alone in my own neighborhood due to the homeless and drug activity on our streets. I pay tens of thousands of dollars in taxes every year and I expect to be able to walk around my own neighborhood without feeling scared. Please clean up our streets so we can bring back businesses and bond together as a community. I oppose any legislation that will further enable homelessness and drug addiction.
