

Submitter: Lisa Baker
On Behalf Of: HB3501
Committee: House Committee On Housing and Homelessness
Measure: HB3501

I strongly oppose this bill. This bill would come at a great cost to the citizens of Oregon that aren't homeless. The laws in our state already are extremely lax when it comes to the behavior of the homeless and this has very negatively affected the quality of life for the rest of the citizens. We need stronger laws that encourage people to get the treatment they need.
