

Submitter: David Crist

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I'm appalled by the direction the Oregon legislators are heading regarding the overwhelming trash in our waterways and filth on our streets and parks caused by the homeless. My children are not safe anymore at parks in Jackson county with the used needles, fecal matter and thieves and druggies that has already took over the parks, this bill will make the situation much worse.
