

Submitter: Mary Kay RUDOLPH

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I absolutely do Not support this bill. Yes, provide support services for those seeking to positively change their life. But, as a licensed clinical psychologist I know that all addicts must want change and mentally ill cannot make rational decisions for themselves.. Mandatory treatment and housing while being treated, not ignoring their issues and letting them destroy private and public property are the correct responses.
