

Submitter: Nolan Nez-Berger
On Behalf Of:
Committee: Senate Committee On Rules
Measure: SJR33

Hello,

As a recently new resident of Oregon, my fiancé and I moved here specifically because we wanted to insure our marriage was safe if something happened at the federal level. Then I learned that the Oregon Constitution still technically bans same-sex marriage. In an effort to protect the marriages of all who have sought out Oregon as a refuge from discrimination, this must pass.

Thank you,
Nolan
