

Submitter: Russ Fortney

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Allowing people to just camp out in any public spaces is a bad idea. What will stop people from going to Multnomah Falls and setting up a count and staying there indefinitely? They couldn't be removed, or even asked to move. Think of all the areas in the public that is supposed to be used for all in the public, that can now become private property and not be used by others. This is very short sighted and a very very bad idea.
