Measure: HB3501

im opposed to the idea of homeless camp have the free right to camp anywhere on the sidewalks without getting removed. Also I'm opposed the bill which supports giving homeless \$1000/month to support them. This bill headed for more disaster than helping them. This money will not keep them off the street, only keep them their longer by provided money for which ever habits they have like drugs or alcohol. I said NO to both proposals and I think it's a STUPID bill present and supported by KHANH TRAN
