Measure: HB3501

We can not continue to feel unsafe in and on our own property .The taxes continue to increase and we feel so frightened. You are allowing this to continue,by having no rules for the homeless but we have new rules all the time.Our homes are starting to lose value,which is our life savings and people are leaving as fast as they can ,as a result of no restrictions on the criminals.This has to stop before Portland becomes a ghost town.
