Committee: House Committee On Housing and Homelessness

Measure: HB3501

If you want less of something, you restrict and tax it.

If you want more of something you enable it and reward it.

If your goal is to make Portland MORE of a magnet for the homeless and the criminal (and they're not the same), then by all means pass legislation like this.

Do keep in mind that it will also have the effect of MORE tax-paying citizens moving out of the state.
