

Submitter: Pamela Parker

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This bill is not a good idea and would make it nearly impossible to assist the drug addicted and mentally ill people who live on public land

It would also disenfranchise other citizens who would be victims of the unsanitary and chaotic lifestyle of those who do not participate in societal norms.

This bill is a very bad idea that will encourage more people to come to Portland to live an unproductive and sometimes dangerous lifestyle.
