

Submitter: Toby Maclauchlan

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Whomever wrote this bill is an idiot. Bad behavior only supports more bad behavior. Housing will not help, allowing them to stay in any location will not help and allowing drugs will not help. You are only promoting more drug usage, mentally inept people and potential disease. Not to mention the rights for those that pay the taxes to feel safe on streets, parks, downtown areas and many other places.

PLEASE start by saying NO to bad behavior.

I have been attacked twice by druggies! I can't imagine a world that we allow these people to just do what they want.

PLEASE vote NO on this terrible bill and start by saying NO!!!!!! With an actual plan to help this utterly terrible population stop its growth!!!
