

Submitter: David Klaus

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Oregon already has a serious and unsustainable homeless problem. Passing legislation that rewards criminal behavior and penalizes the law abiding is wrong on every level. Businesses are already fleeing cities like Portland at a record rate because of the problems created by large concentration of homeless in business districts. Stop turning Oregon into the third world country that California has become and restore the rule of law!
