Measure: SB406

As a Tillamook County REALTOR, I can speak to the need for special consideration in our county for legislation which considers our rural nature. Tillamook County consists mostly of small unincorporated coastal communities, yet the need for affordable and work force housing is possibly even more critical here due to the staffing needs for the survival of tourism based businesses. I support the requests by Sen. Suzanne Weber and Rep. Cyrus Javadi in SB406 to create legislation which includes Tillamook County's special needs.
