Committee: House Committee On Housing and Homelessness

Measure: HB3501

This is a ridiculous bill to even propose. We are going backwards. Kotek was supposed to take care of all the camping and now you want to make it okay? We are enabling homelessness and camping. No one is going to support such a bill. It's laughable and Kotek and our mayor need to do their jobs. They promise so many things then bills like this get proposed and it's a slap in the face to Oregonians who work hard to constantly enable people who don't. I DO NOT APPROVE OF THIS BILL!!!!!!!!!!!!!!
