

Submitter: Jill DeSau

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This bill does nothing to incentivize people to raise themselves up out of homelessness and will simply encourage crime, drug use and ultimately death. This is not a humane way to deal with this issue. This will also open up a whole new realm of lawsuits that will tie up the courts and encourages people to file lawsuits that may not be founded in truth. Please do not pass this bill.
