

Submitter: Andrea King

On Behalf Of: self and toddler child

Committee: House Committee On Housing and Homelessness

Measure: HB3501

RE: Opposition of HB3501

4/28/23

I, Andrea King, hereby oppose HB3501. This bill does not get to the root of helping the homeless population in regards to support they deserve in regards to mental health (i.e. alcohol and drug) treatment, job training and job search assistance, affordable housing or free housing for a period of time until stabilized.
