

Submitter: Justin Cherrington

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This is a horrible idea! This will cause crime to skyrocket and will handcuff state and local governments from taking action against predatory individuals. This would ruin our state quickly. People would move out of Oregon in mass since it would continue to attract homeless criminals from other states to reside in Oregon and there would be nothing law enforcement could do to address crime in the camps or clear the camps.
