

Submitter: Kelly Lindell

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This is outrageous. i am completely opposed. i have worked in oregon my entire life and in the couple of last years it has become completely unsafe. the homeless are drug addicts that are violent. Why do you keep taking away the rights of people working and business and land owners. It is them that pay the outrageous taxes now in oregon.
