Measure: HB3501

This bill is a disgusting travesty of our Oregon government. I 100% oppose this bill, as a tax payer in a already overly taxed city this is going to make a once great city, that is in decline already a unrecoverable mess. This began with Measure 110 being proposed and approved, of which I also oppose of. Free Drug use with no repercussion has brought nearly all of the new homeless into this part of Oregon. This bill can not be real, and I can no fathom that anyone would allow the rights of homeless to then camp on anyone's property and it be legal. This is a disgusting use of power, and our government should be ashamed!.
