

Submitter: Sara Rowland

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

As a disabled person that needs assisted devices to get around the city, I highly I oppose this. It is hard enough navigating the unkept streets let alone trying to get around the strewn bodies of strung out people and their tents everywhere. I feel for their situation but it is also unsafe for me to wander into traffic or for the blind or other disabled people to have to find alternative routes because of the tents.
