

Submitter: Erika von Kampen

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB2098

In addition to my previous written testimony, I oppose HB 2098 -2, but support the -3 Amendment (and the policy recommendations offered by the Just Crossing Alliance) that ensures this replacement bridge project moves forward smoothly with a right-sized design, explicit pro-labor provisions, financial guardrails, and major investments in mass transit.
