

Submitter: G H

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

No, the city was a complete dump for the last few years. Things are finally showing small signs of improvement, we can not allow people to just live wherever they want because it's public land. The houses also have the right to access a reasonably clean and safe environment. There is a problem with housing folks and all do deserve shelter and safety, but this is not the way by allowing essentially free rein.
