

Submitter: Tami Miller

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I am a 61 year native Oregonian. I have watched communities of all sizes in this state go from decent places to live, work, and raise a family to literal garbage dumps. Our children are no longer safe in parks, bike paths, or other open spaces. And now you want any public park to be a place to rest? I strongly and vehemently oppose this measure.
