

Submitter: Charles Jackson

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I strongly oppose this bill. Public spaces are for the entire public, and our taxes are paid to ensure that those spaces are clean and safe. These spaces are made unsafe and unusable to the public when they're allowed to be permanently occupied by those unwilling or unable to hold themselves sufficiently accountable to anything productive. Find a better solution.
