Measure: HB3501

Plain and simple if this bill passes I'm taking my hard earned tax dollars and leaving Oregon. I live across from what used to be the most Beautiful park in Grants Pass Riverside Park. Now that Homeless/Vagrants are allowed to pitch there tents with all there scattered trash and loose dogs drugs yelling and screaming fighting and police having there hands tied because of ridiculous laws that should have never been put in motion. Regular tax payers can't even use the park anymore. The Homeless/Vagrants that pay no taxes have have taken it over. Why should they better themselves with Church's and other organizations feeding them clothing them even giving them clean needles to do there drugs. I've had it. As I said if this HB 3501 passes in any form I'm gone.
