

Submitter: Chris Piper

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

The marketing name of this bill is "The Right to Rest," which will cause a lot of trouble and unintended consequences. With this proposed bill, there is little to no recourse to stop someone homeless from camping in public spaces. In my opinion, time and resources must be spent thoroughly looking into the root issue and not continuing enabling but focusing on empowering the homeless who want a hand up not a hand out.
