

Submitter: Jennifer Lowery

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This is just enabling the homeless problem even more. It is NOT compassionate to allow people to live on the streets in squalor with untreated mental illness and drug addiction. It is not safe nor fair to the community and our hardworking, tax paying citizens. The fact that other states are shipping their homeless here says it all. There needs to be designated camping period.
