Committee: House Committee On Housing and Homelessness

Measure: HB3501

This is absolutely the worst idea I have ever seen proposed by a legislature. Last year, a person tried to sleep in a right of way in front of my house. This person was intoxicated every time we saw him and urinated and pooped in front of my 6 year old daughter. This man was incredibly unsafe.

This legislation would fine me \$1000 for speaking to this man or requesting him to move. I love Portland and Oregon, volunteer in my community and my daughter's school, and work to make this city a good place to live.

This legislation would be the last straw. I would absolutely leave the city if this passes.
