Committee: House Committee On Housing and Homelessness

Measure: HB3501

I am a lifelong democrat and self-described liberal who is 100% opposed to a right to rest law. This terrible , horrendous, and seemingly unsolvable crisis has resulted from too many people misguidedly trying to help the homeless. Our problems keep getting worse, more homeless are arriving here in Oregon because we make it easier for them, and yet our law abiding and tax-paying citizens have no rights . We are ruining this state. I have loved and lived in Oregon since 1993, but am sick and ashamed of how our state is falling into a pit of crime and homelessness. Enough.
