Measure: HB3501

I/we strongly oppose this bill which will stop me from freely moving in and around public space in Bend Or.

I have been panhandled, chased, even had to witness public urination and defecation. This should all be criminalized as these drug addicts are insane. Yes, drug addicts don't work because no one trusts them as they steal to get the drugs.

Not because they are homeless.

If Oregon allows this, I will not pay my state taxes, too much state monies are already flowing to the homeless.
