Committee: House Committee On Housing and Homelessness

Measure: HB3501

I OPPOSE HB3501. Get real. Rather than catering to and enabling homeless campgrounds across Oregon, the legislature should be devoted to protecting the rights of law-abiding tax payers, business owners, and people who have to deal with the garbage, needles, excrement, harrassment, tents, shopping carts and general filth the homeless and drug addicts bestow on our cities. Portland and other Oregon cities are disintegrating due to this problem and this bill will only accelerate their demise. Get these people help to get off the streets, to turn their lives around, but do NOT encourage homelessness in Oregon, and DO NOT diminish the rights of law-abiding, tax-paying citizens.
