Measure: HB3501

I moved here as a retired senior 9 years ago and enjoyed evenings at concerts and theater, walks on the waterfront, dinner out with friends at great local restaurants and taking our grandchildren out on the Max to OMSI, the zoo, and more. Sadly, these are no longer reliably safe options and we're saddened about the decline in our community. It is fixable, not easy, but can be done. This measure is certainly not the way.
