Measure: HB3501

This is wrong! If this goes thru, houseless people could camp in any park, parking lot or open area they please, including my front yard if they want. I pay a lot of taxes to maintain a decent and safe place for my children, grandchildren and dog to play legally, without worrying about mentally unstable people harassing them or me, and without worrying about needles, trash, and other dangerous things laying around. I will not vote for this and will pass the word for my neighbors and friends to do the same!
