

Submitter: T Y

On Behalf Of: Our Schools

Committee: House Committee On Housing and Homelessness

Measure: HB3501

This school year we had a homeless camp outside one of our high schools that was found to be selling drugs to students. While stopping the flow of illicit drugs into our student's hands is more comprehensive and complicated than removing unhoused camps we should at least make it more difficult to keep these camps away from our kids and not put out the welcome mat right at the school doors.
